

Session 9 – 9A

Speaker: Michael Weed & Michael Baron

Topic: Retirement Planning Engineering

Topic Summary:

Myself and my partner, Michael Baron, will speak on the different types of employer sponsored plans available to various employers. There are many different options employers have, and we will speak on the different options available for each with a goal of simplifying the retirement planning world. We will also explain the different roles and responsibilities of everyone involved in order to provide the business, business owner(s) and employees the best opportunity to succeed.
